INFO

There are no affiliated hotels or hotels reserved for the conference.

A list of list of hotels that are usually suggested by INRIM, can be found in the file “INRIM how to get”, but they are mainly located in the city centre.

Feel free to choose an hotel by yourself taking into account that the meeting point to reach the conference venue will be near the southern terminus of tram n° 4 (bus stop: Strada del Drosso)

Shuttle bus will be provided every day from this meeting point to the Castle at around 8-30 and 8.45 in the morning and at the end of MMC sessions

On day 28 a bus will be supplied also to visit the Climate Reference Station Research site and to reach Cascina Gorgia restaurant for social dinner.

WMO Siting meeting, GSRN Meetings and MINKE training are all organized at INRiM Campus (2).

During MMC opening and sessions, the special shuttle will also stop at INRiM at lunch time to bring meetings and trainings participants to the Castle (1) at times according to the agenda.

(Further information are available on the [Torino Transports Group website \(GTT\)](#)).

General information on how to reach the area can be found on the file “**INRIM how to get**”
